Re: MANDATORY BIKE REGISTRATION

---

Effective January 1, 2011, all bicycles stored within the bike and storage rooms, must be registered with Arlington County's Bicycle Registration Program. Recent bike thefts, have prompted your Board of Directors and Management to implement this new ruling.

Register your bike online with Arlington County by visiting:  
[http://www.arlingtonva.us/departments/police/citizens/forms/bicycle\\_registration.asp](http://www.arlingtonva.us/departments/police/citizens/forms/bicycle_registration.asp).

Be prepared to submit the serial number for registration. After registering, you will receive a decal from Arlington County and instruction on where to affix the decal to your bicycle. If you need to follow up regarding your registration or do not receive your decal, please contact Lieutenant Heather Hurlock at 703-228-4057 or [hhurlock@arlingtonva.us](mailto:hhurlock@arlingtonva.us).

Management will begin bike inspections on January 1<sup>st</sup> to ensure that all bikes display the county's decal. Any bikes that do not display the proper decal will be removed from storage and bike room facilities and donated to charity.

If your bike was stolen, and you previously registered it with Arlington County, you may visit the "recovered bikes" web page:  
[http://www.arlingtonva.us/departments/police/divisions/operations/sos/PoliceDivisionsOperationsSosBicycle\\_recovered.aspx](http://www.arlingtonva.us/departments/police/divisions/operations/sos/PoliceDivisionsOperationsSosBicycle_recovered.aspx) or call 703-228-4057. The police department reports that a U-Lock is the best protection against theft – consider it for your bike's safety.

Thank you for your cooperation in this matter. Please feel free to call the Management Office at 703-525-5557 if you have any questions.
